

QUESTIONS FOR INTERVIEW

Please see the interview questions below. Feel free to leave out any questions, but we would love it if you answered all of them!

What is your name, age, and where do you live?

1. Which organ did you donate, and in what year?
2. How long was your recipient on the waiting list for an organ?
3. What made you decide to donate?
4. Describe the emotions experienced when you were told that you are a suitable donor?
5. What is life like now, after donating an organ?
6. What advice would you give people considering being a living donor?
7. Why do you think there is a shortage of donors in South Africa?
8. Has the idea of an altruistic donor become an outdated expectation in a modern society?
9. What is the biggest stigma/myth you have heard about organ donation?
10. If you could describe donation in one word, what would it be?
11. Summarise the benefits of organ donation in one word.
12. Are there any reason NOT to be an organ donor?
13. If you could be any organ, what organ would you be and why?

Thank you for answering these questions! Please send a photo of yourself along with the interview answers.
