

QUESTIONS FOR INTERVIEW

Please see the interview questions below. Feel free to leave out any questions, but we would love it if you answered all of them!

What is your name, age, and where do you live?

1. When were you diagnosed with organ failure and which organ are you waiting for?
2. How does your current health affect your lifestyle?
3. How long have you been on the waiting list?
4. Have you had a transplant before? If yes, how long did it last?
5. What are you most excited for after your transplant?
6. Why do you think there is a shortage of donors in South Africa?
7. What is the biggest stigma / myth you have heard about organ donation?

Thank you for answering these questions! Please send a photo of yourself along with the interview answers. Please provide us with your social media handle/s in order for us to tag you.
